### Four Conditions Are Required For Making Adequate Yearly Progress(AYP)

1. At least 95.0% tested for Reading & Mathematics for the All Group and Subgroups. If the current year's participation rates are less than 95%, the participation rate for AYP will be considered sufficient if the average of the current year and the preceding year is at least 95%, or if the average of the current year and the two preceding years is atleast 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% but 'Met AYP' is 'Yes', it means the 95% condition was met by averaging.
2. At least 47.5% Meeting/Exceeding Standards for reading & mathematics for the All and each subgroups; for subgroups under the 47.5% Meeting/Exceeding requirement, a 95% confidence interval has been applied; or meet Safe Harbor requirements \*\*\*
3. For those schools not making AYP because of the IEP subgroup only, 14% was added to the percent Meeting/Exceeding Standards for this subgroup to calculate AYP as provided by the new federal 2% flexibility.
4. At least 89.0% Attendance Rate for elementary school Schools or at least 67.0% Graduation Rate for high school Schools. Unit Schools must meet both criteria.

\* Includes only students enrolled as of 9/30/2004.

\*\* Safe Harbor Targets of 47.5% or above are not printed.
