GSW High School

WEDNESDAY
August 26, 2026

STUDENTS:

9th Grade Students:

Per Illinois State Board of Education (ISBE) requirements, all 9th grade students must have a **current physical examination and immunization record on file with the school**. Please note that a **sports physical does not meet this requirement**. A qualifying school physical must be completed and submitted to the school by October 15th to avoid health exclusions.

12th Grade Students:

All 12th grade students are required to have the **meningococcal vaccine** on file.

All 9th and 12th grade students who do not have the required vaccination/health examination documentation submitted by **October 15** will be **excluded from school** until the requirement is met, in accordance with state requirements.

Our building opens at 7:45 a.m. each day and classes begin at 8:00. **Students will enter GSW under the V (gym doors) on the west side of the building. One entry point helps ensure the safety and security of our building. After the 8 a.m. bell, students will report to the office through the door on the south of the building S9 (back office door) or the front office doors - N1.**

CLUBS:

SADD = STUDENTS: If you are interested in joining SADD, we will have an informational meeting and concession sign-up **TODAY - Wed, August 26**, during your learning lab. Students: Fellowship of Christian Athletes will once again be meeting this year about two times per month.
